Note: The application is only valid when the place, date, stamp and signature are given.

Article 1. - Participation of Exhibitors at the Trade Fair and assignment of areas

The basic precondition for the participation at the Trade Fair is the delivery of the properly completed Binding Application to ABF, a.s. (hereinafter referred to as ABF only) by the closing date. After the receiving of the Binding Application, ABF will send to the Exhibitor a confirmation of its receipt (this event will establish a contractual relationship between ABF and the Exhibitor), and an advance invoice for the exhibition area ordered, registration fee and technical services. The final invoice, with the subtraction of advance payments, will only be sent after the end of the Trade Fair. ABF reserves the right to reduce the ordered area, to change its shape and location - the order of the participation is binding for the Exhibitor also in this case.

The advance invoice for the ordered services will be sent before the beginning of the Fairs and its full payment will be a precondition for the beginning of the assembly of the exposition. The final invoice including VAT and deduction of advances will be sent after the finishing of the Fairs.

If the confirmed area is not available to the Exhibitor for reasons caused by the Organiser of the Fair, the Exhibitor is entitled to the reimbursement of the lease charge paid. The Organiser will not accept and will not indemnify any claims for damages which the Exhibitor could have incurred for this reason.

Article 2. - Terms of Payment**2.1. Basic price of the lease and Registration Fee include:**

- Lease for the area during the assembly, Fairs and dismantling
- Insertion into the Fair Catalogue to the extent of data stated in the - Order of Registration into the Catalogue
- Insertion into the orientation system of the Fairs
- Five Exhibitor s Cards for the firms with an ordered area up to 30 sq.m
- One Exhibitor s Card for every 10 sq.m (including a part of this area) exceeding the area of 30 sq.m
- Assembly/Dismantling Cards for the Working Teams
- Cards for free entries into the area during the assembly and dismantling works (during the assembly and disassembly the parking time in the area is limited - the vehicle entry is allowed against depositing a security)
- Fair Catalogue, printed version
- Free registration in the Building Information System

2.2. The basic price of the lease and the Registration Fee do not include:

External walls of the stand, nor any other equipment of the stand, nor the walls of the neighbouring stands.

For each of the other firms which the Exhibitors will present in their expositions (by the presentation of exhibits, with an advertisement panel, company logo, commercial name, folders, video programmes, etc.) the Exhibitor is obliged to pay the Co-exhibitors Registration Fee. The firm properly registered in this way will be presented in the Fair Catalogue to the full extent as the Exhibitor. In the case of any breach of this principle the Exhibitor will be obliged to pay the Co-exhibitors registration Fee in a double amount during the Fairs.

2.3. Cancellation Conditions

50 % of the total amount invoiced, on the cancellation of the Binding Application in the term to February 15, 2008

100 % of the total amount invoiced, on the cancellation of the Binding Application in the term from February 16, 2008 to the beginning of the Trade Fair

2.4 The Registration Fees shall be forfeited in full amount, regardless of the term of the cancellation of the Binding Application.**2.5 All prices are stated without VAT.**

Any cancellation of its participation must always be made in writing.

Registration Fees shall be forfeited in full amount, regardless to the term of the cancellation of the Binding Application or in the case of non-participation without cancellation.

Article 3. - Exhibition Area**3.1. ABF leases:**

- indoor exhibition area without any equipment, with possible power supply, water pipeline, sewerage, telephone and cleaning facilities on the basis of the Application.

3.2. If the exhibiting firm itself does not provide for the stand or if it does not order its erection by ABF, it will have only the ordered exhibition area without borders at its disposal. The architectural concept in the exhibition halls counts on the implementation of the classical rectangular exhibition raster, within which the following exhibition areas will be available:

- row areas with free front side
- corner areas with two open sides - along which the visitors walk
- U-shape areas (front) with three open sides - along which the visitors walk
- island areas where all of the four sides are free.

Article 4. - Safety

The Exhibitors are not allowed to store or use in their expositions or in the territory of the Exhibition Centre any combustible and radioactive substances, exploding materials, acids, poisons and other health harming substances. The Exhibitors are obliged to observe the technical, fire and safety regulations which are in force. At the Exhibition Centre, ABF is not responsible towards the Exhibitors and their Co-exhibitors, or their assembly firms, for any losses, destruction or any damage concerning the exhibits, equipment and outfit of the stands, goods, packages, packing materials whatsoever, whether the loss, destruction or other damage occurred during the assembly, transportation or during the Fairs.

Article 6. - Technical and Fire Regulations, Energy Usage Regulations and Directive for the Use of Temporary ELECTRICAL Installations

During the time of the Fairs as well as during the assembly and dismantling works smoking and naked flame handling is prohibited in all of the indoor areas.

The Exhibitors are obliged to observe, during the assembly, in the course of the Fairs and during the dismantling, generally binding law regulations of the Czech Republic and the EU, as well as technical standards for the above mentioned areas including work safety regulations and handling all technical equipment. Furthermore, the Exhibitors are obliged to observe appropriate fire regulations valid for individual exhibition areas and the instructions of the authorised members of the fire assistant service and of the ABF staff. Temporary electrical devices must be in accordance with the iSN 341090 standard and must comply with all other electro-technical regulations in force. The electrical installation works can only be carried out by a firm duly authorised to do so, i.e. possessing the Certificate of Competence according to the Law No. 174/1968 Coll., Art. 4(f) and Art 3(2) of the orBP and eBt Regulation No. 20/1979 Coll.n.

Article 7. - Basic Preconditions for the Erection of the Stand

The erection of the Stand is offered and carried out by ABF. The Exhibitors who will not make any use of this offer and who prefer to ensure the erections of their stands by themselves or through their agencies are obliged to submit the ground plan and front view of the stand with the marking of dominant heights, as well as with the marking of power, water and sewerage system lines, for approval to ABF, not later than March 20, 2007. The Exhibitors are obliged to maintain the raster of the exhibition area, i.e. they may not exceed the designated area with anything from the ground plan point of view and the same applies to the dominant heights which are shifted out (Important! - the roofs of outdoor stands generally exceed their ground plan).

The Exhibitors are obliged to leave the exhibition area after the dismantling in the same conditions in which it was before the beginning of the assembly. Any destruction, exceeding pollution etc., will have to be paid for by the Exhibitor according to the real cost of the removal of damage (pollution).

Article 8. - Final Provision

Any other claims on the part of Exhibitors towards ABF can be applied for within 2 weeks after the end of the Fairs. Any possible claims of the Exhibitors will cease to exist upon the expiration of 6 months after the end of the Fairs.
